SUBJECT: MINIMUM GUIDELINES FOR ELDER AND DEPENDENT
ADULT ABUSE INVESTIGATIONS

REFERENCE: ALL-COUNTY LETTER (ACL) 90-109

All-County Letter 90-109, dated November 15, 1990, transmitted the Minimum Guidelines For Elder and Dependent Adult Abuse Investigations.

This is to clarify that the Minimum Guidelines released by the State Department of Social Services (SDSS) should be regarded as not regulatory.

The activities outlined in the guidelines are those which would be ideally taken by an APS worker when sufficient funding and resources are available to permit them.
